All the images in this pdf folio are exclusively licensed for use by the clients. The images haven't been watermarked to enable you to use them to create material for client presentations. The images cannot be used in final projects, whether for internal or external use.

Client: Canon

Assignment:

Canon solely commissioned Patrick to shoot an image bank consisting of 40 outstanding billboard size images for their World Expo in Paris.

The images were used inside the exhibition space at La Grande Halle and outside at Parc de la Villette.

Thanks for taking a look.
