

Client:

Nokia Eco

Assignment:

To produce five hero images and twelve supporting images for Nokia's environmental strategy and management – 'the power of we:'

we:create
we:evolve
we:energise
we:recycle
we:support

The five day shoot was co-ordinated with a production company and location scouts. All the images were shot at locations in London and the south east.

The images have been used online, globally in Nokia care centres and in press ads.
